SHEWING

Where each Ship was Built, by whom, and when; its  
Length, Breadth, Depth, Draught of Water, Tonnage,  
the number of Men and Guns, both in Peace and  
War, at Home and Abroad.

TOGETHER

With every Man's Pay, from a Captain to a Cabin-Boy; truly  
Calculated and set up for a Day, a Week, a Month, and a  
Calendar Year, or 12 Months and 1 Day.

Curiously Collected and Directed by a True Lover of the Seamen, and  
of long Experience in the Practices of the Navy and Admiralty.

LONDON, April the 1st. 1688.

L O N D O N :

Printed for E. Thomas, Stationer in Great-Street in London-Palace, 1688.

TO THE

# READER.

**O**UR Seamen, though they are known to be the Bul-  
mark of our British Dominions, the sole Fence of  
our Country, and the only People upon whose undaun-  
ted Courage, redoubted Valour, Resolution and  
Conduct, our Liberties and Properties, nay our All wholly de-  
pend: who Fight our Battels at Sea, upon all Occasions and E-  
mergencies, and vindicate our just Rights and Reputation all  
the World over, with the hazard and even expence of their  
dearest Blood. Yet the continued Abuses, and unnatural Affronts  
and Disappointments, to which they have been exposed in their Pay  
and Promotion, and other due Rewards, for Years past; and the  
studied Art that has been for some considerable time practised, not  
only to cheat, but to banish and betray them to Foreign parts, and  
sometimes Barbarous and Inhumane Slavery, are past enumeration;  
not to be comprehended (the World may be sure) within a small  
compass. So disingenuously (I shall not say treacherously) have  
some Beasts of prey about the Naval Administration of late Years  
carried themselves towards that sort of People, who in common  
gratitude ought to be otherwise rewarded; as doubtless they will,  
now Honesty is become Fashionable. I say Rewarded; and mean as  
to their Naval promotions, which ought not to be sold but freely  
given them, as the just Reward of their Valour and Merit.

## To the Reader.

I shall omit particulars, for that the main and true Intent of this Collection is to Inform the Sea-faring-men of England, what prodigious and puissant Defence Nature, Art, the Industry and the Wars of their Country have furnished them with, and how little they need value any Foreign Encroachment or Insolencies, or fear the being pinched of one Parting in their Pay at Home, even for a day, if they seriously peruse and inform themselves the following List of the Navy Royal, and the Establish'd Pay-Book annex'd thereto: Being but a Mite of the Authors good will towards them, and e'en an handful of what he further intends to lay before them, relating to past Naval Tricks now expung'd.

In order whereto, you have here presented unto you a curious List of the Navy, consisting of 9 First Rates, 16 Second Rates, 38 Third Rates, 44 Fourth Rates, 13 Fifth Rates, 7 Sixth Rates, 7 Hulks, 12 Fireships, 18 Yatches, 2 Ketches, 3 Hoyes, 3 Smacks, 12 Sloops, 7 Prizes from Barbary. In which you shall find their respective Lengths (few excepted) Breadths, Depths, Draughts of Water, Tons, when Built, Where, and by Whome. Where the Reader is to take notice, That the Ships Altered in a last Year Character, are those 38 that were built for the Use of Parliament, Anno 1677.

As to the Pay-Book you may thereby see what each man is allow'd by the Government, from a Captain to a Sculler, either in a Day, a Week, a Month, or a Year, whereby a Seaman, who is not to be cheated or defrauded of one Penny of his Pay, if he does but compute any other, for want of Capacity of his own to do it, and that knows the Day of his Entry and Discharge, upon, and from any of the ensuing Ships. As

## To the Reader.

As for Instance; In the Table of Officers the Captain and Lieutenant are paid by the Day, namely, the Captain in a First Rate has 15 s. a Day; in a Second 12 s. in a Third 10 s. in a Fourth 7 s. 6 d. in a Fifth 6 s. and in a Sixth 5 s. The Lieutenant also has in the First and Second Rates 3 s. a Day; and in the Third and Fourth Rates 2 s. 6 d. As to other Officers and Seamen, they are paid by the Month; for instance; a Master in a First Rate has 7 l. a Month; in a Second 6 l. 6 s. in a Third, 4 l. 13 s. 8 d. in a Fourth, 4 l. 6 s. 2 d. in a Fifth, 3 l. 17 s. and in a Sixth Rate he is Captain and Master. A First Rate carries 6 Master's Mates and Pilots, as you may see; and has 3 l. 6 s. a Month each; a Second carries 4, at 3 l. a Man each Month; a Third carries 3, at 2 l. 16 s. 2 d. a Man each Month; a Fourth Rate 2, at 2 l. 7 s. 10 d. a Fifth Rate 2, at 2 l. 2 s. a Man each Month; and a Sixth Rate 1 Mate, at 2 l. 2 s. And so on of all other Inferiour Officers and Seamen, in each Rate proportionably, according to their respective Qualities. Where it is to be Noted, That that Seaman or Officer, who knowing his Entry on, and Discharge from any Ship, would likewise know what his Pay comes to for any odd Day, or Days, or a Week according to his said Monthly Allowance; let him turn to the Daily, Weekly, and Monthly Pay-Table hereunto annexed, and that will inform him to a Day what he ought to have; every Man's particular Allowance from 1 Day to 13 Months being cast up there to his hand. As for Instance, a Carpenter of a Fifth Rate has 2 l. 5 s. a Month; and having served 11 Months, 3 Weeks, and 6 Days, would know what he ought to receive in the whole. First let him turn to the Column

## To the Reader.

1 Month, and let him trace that down, 'till he meets with his said Monthly Allowance of 2 l. 5 s. when he finds that, then the 7th. Column on the right hand, in the same Line under the Figure 7, shews you your 7 Months Allowance, being 15 l. 15 s. In the same Line trace to the left, from that same 2 l. 5 s. 'till you come to the Column under the Word Week, and next Column but one, under 3, shews you your 3 Weeks Pay, being 1 l. 13 s. 9 d. And for your 6 Days, turn to the Day-Column; under the Figure 6 you will find 9 s. 7 d. and the first Column in your left hand in the same Line shews, that at the rate of 2 l. 5 s. aforesaid, you ought to receive for every Day, 1 s. 7 d. So of the rest of the Men; which if Seamen duly observe and guide themselves by, in the receipt of their Sea-pay, and that it falls to their Lot to be present themselves at their Pay, and not shamm'd off with those fatal Squares call'd Tickets: The Ticket Trade must fall and cease, the Reputation of the Navy remain unblasted; and the Seaman receive his full pay, without being forc'd (as they often-times are) to leave it behind them, to be snack'd between three sorts of People, Ticket Mongers, Needy Clerks, and Conniving Directors: A sort of Vultures, who first rob the Seaman of half his Pay, then drive him into Goal, or out of his Country to a void it. In short, If any be concern'd at this, it is his Guilt makes him so; and so Farewell.

The Reader is to Note, That the six small Columns in the Pay-Book, indicate particularly Manning of Officers, which each Ship and Fleet carries of that Kind.
